

Dear Store Manager,

I have always been a loyal fan of your store and continue to appreciate the healthy selection of products you provide. However, I do feel there is one thing missing from your store: **Stur All-Natural Water Enhancer**

Unlike the other water enhancers, Stur is an All-Natural Product with a delicious taste that helps consumers to drink more water naturally and has the following benefits:

**ALL-NATURAL**  
Ingredients

- ✓ Non-GMO
- ✓ 100% Vitamin C
- ✓ Kosher
- ✓ 0 Sugar, 0 Calories
- ✓ Naturally sweetened
- ✓ Gluten-free

Speaking on behalf of all those who love Stur, it would be terrific if you considered stocking your shelves with any of the 11 delicious flavors. Stur is carried in all UNFI and KeHE DCs.

Thank you!
